

The benefits of CPD

CPD offers a cost-effective service for your clients

We have over **50** first-class speakers providing expertise in tax, accounting and other financial issues

We offer live, recorded and interactive **online** courses alongside our **face to face** and **in-house** courses when allowed

Keep your CPD skills and knowledge up to date to gain a competitive advantage

We host **20** conferences each year nationally on a range of topics

CPD widens your networking base and broadens your accountancy contacts

We have a library of over **200** online courses

CPD keeps you up to date with latest accountancy standards and tax legislation

Members enjoy firm-wide access to our training from just **£35** per person per month
